

Semaphore Lamps

## Semaphore Lamps

**Note:** The lamps shown on this plate are intended for use with Semaphore Signals and are furnished with clear lenses unless otherwise specified.

Lamps complete are regularly furnished with plain covers, but when specified will be equipped with peep hole Fig. X, or backlight Fig. Y.

Lamp Bulbs are not included with lamps complete and must be ordered sparately.

Lamp Brackets are shown on Plates H1711 and H1713 and are furnished only when specified.

Drawing references are shown for convenience in checking shipping lists and invoices.
