

UNION SWITCH & SIGNAL CO.

# Zachary C. Gillihan 2008

STYLE "NF-2" D. C. FLASHER RELAY

The Style "NF-2" Flasher Relay is very similar to the Style "NF" Relay shown on catalog Plate E-5061. The design has been simplified by the elimination of two magnet coils and the excellent wearing and timing qualities of the "NF" Relay have been retained.

UNION SWITCH & SIGNAL CO.

STYLE "NF-2" D. C. FLASHER RELAYS AND DETAILS

Order by Plate, Piece, Reference and Abbreviated Description Given in Heavy Face Type Only

| Piece  | Ref. | Description   | Drawing Reference |
